Fundraising

We make every effort to keep our registration costs down and this year we are continuing our efforts to avoid fundraising. Parent volunteers are essential to a successful season. Therefore we are asking each family to write a check at the beginning of the season for \$100.00. If a family volunteers 4 hours during the season we will return their check, if volunteering has not been completed we will cash the check at the end of the season. There are many opportunities for families to volunteer especially at our high school and youth tournament. Century High School tournament is January 26th, 2019 and the youth tournament is January 27th, 2019. In addition to the tournaments there are many other opportunities for you to volunteer. They include: helping out on the mat during practices, youth night at a high school meet and ice cream social, end of the season banquet, etc. Please see a board member at registration night if more information is needed.

Important update on practice gear

We **will** require our advanced group to wear head gear while they are on the mat. It is inexpensive to purchase for protection from cauliflower ear. There is no requirement on color or style, but we do recommend Navy Blue or Grey panther colors. This will be enforced the second week of practice.

We **will not** require head gear for our Beginners or Intermediate wrestlers but we do recommend that they wear it for protection.
